INSURANCE SCHEME FOR MEMBERS AND UMPIRES OF BADMINTON ENGLAND

Continued litigation reinforces the need for all sports organisations to have full and appropriate insurance protection. Without it you could be held personally financially liable to compensate for losses for which you do not hold valid insurance.

The following covers provided are summarised over the page. We emphasise that details are a summary only. A specimen full policy wording is included on the following website: www.perkins-slade.com

- **Civil Liability** - provides protection from the consequences of claims against a member or umpire for injury, financial loss or damage to property, where negligence occurs. Cover provided is intended to cover legal liability for injury or damage to others or their property.

NOTE this cover does not provide an automatic payment for injuries which would normally be the province of a **Personal Accident insurance**. You can purchase this cover separately however from the Perkins Slade website or follow the link from Badminton England Web site.

Outline of cover

1. CIVIL LIABILITY

All members and umpires have a responsibility to ensure that anything they do does not cause injury or financial loss to others or damage to property. If they do, and negligence is proved, they could become legally liable to pay compensation. Accidents in badminton can and will happen and in this litigious age coaches are vulnerable to claims that can sometimes involve very large sums of money.

Appropriate cover is therefore essential and, indeed, it is demanded by Local Authorities before coaches can use their facilities.

Civil Liability provides cover for legal liability under civil law to the general public for personal injury or damage to third party property.

This includes the following sections of cover:

Public Liability	Accidental bodily injury to third parties and/or damage to third party property arising out of your insured activities
Products Liability	Accidental bodily injury to third parties and/or damage to third party property arising out of any goods sold or supplied by you (including refreshments)
Professional Indemnity	Loss (financial or otherwise) arising out of Errors and Omissions. For example, bad advice (instruction/coaching) or failure to act
Libel and Slander	Protection against the consequences of defamatory statements, this is important in respect of any newsletters / brochures you may produce, or internet forums held on your website

The shaded areas of the table are sections of cover provided by the Civil Liability policy over and above those of a standard Public Liability policy.

Civil Liability provides coaches with a breadth of cover that is rarely available through non-specialist brokers.

Indemnity is extended to include:

- Badminton playing activities including practice, training, competitions and displays.
- Legal Liability following injury or financial loss to a fellow participant, or damage to their property.

Limit of Indemnity:

Civil Liability £10,000,000 any one event
£10,000,000 any one period of cover for Products / Pollution

The Limit of Indemnity is the maximum amount of damages Insurers will pay in relation to the settlement of a claim.

There is no Policy excess.

You must report every claim and any incident, that is likely to give rise to a claim in the future. For incident notification and recording guidelines see separate instructions on this website.

Principal Exclusions

Liability arising out of:

- deliberate, dishonest or criminal acts of the Insured
- injury to Employees
- ownership or use of any vehicle, aircraft, hovercraft or water-borne craft
- damage to data
- loss of or damage to your own property
- medical malpractice (unless first aid provided by the coach which is included)
- abuse in respect of the individual accused or alleged to have committed abuse or have permitted abuse
- incidents prior to becoming a member of Badminton England / becoming a registered or licenced coach (without breaks in membership / registration / Licencing)
- incidents / claims known to you but not reported to Insurers.
- product guarantee or recall, repair or replacement

Important

The Civil Liability cover is provided on a "claims made" basis - which means that there has to be a policy in force at the time at which the incident is first reported to us, not necessarily at the time the activity was undertaken. Once a policy is cancelled, or membership lapsed, no cover is provided for claims that are notified after the date of cancellation. It is therefore essential that all incidents or circumstances that might give rise to a claim are reported to Perkins Slade immediately.
