How do I apply for Professional Indemnity Insurance?

1. Download and complete the TSI members proposal form;
2. Return to Perkins Slade by post or fax;
3. Perkins Slade will send you formal confirmation of the cover requested and premium required along with a direct debit mandate;
4. Cover will then begin when you accept the terms of the policy.

Payments & Policy Renewal

The method of payment for this policy is interest-free direct debit. The policy will remain in force until 21 days after you cancel your Direct Debit Payment. All policies will be issued on a continuous basis without expiry until you cancel your Direct Debit, removing the need for lengthy renewal procedures. Each year you will be reminded to advise Insurers of any changes in your circumstances, such as significant increases in fee income, new activities or additional premises.

What happens if I cancel the policy?

Professional Indemnity Insurance is provided on a "claims made" basis – unlike other forms of insurance, there has to be a policy in force at the time at which the claim is made against you, not necessarily at the time the work was undertaken. Once a policy is cancelled, no cover would be provided for any claim that arose after the date of cancellation.
